We collect used or unwanted sport and school items and then donate them to others less fortunate than ourselves.

Please consider donating some stationery, used items are great! We sharpen pencils, test textas and pens, then put them into bundles perfect for a child. We can also harvest the unused pages from exercise books to recycle mountains of paper to be useful again. Please consider donating:

**Pencils, pens, textas, rulers, erasers, pencil cases**  
**Exercise books (partly used are fine)**  
**Loose leaf paper, pads of paper**  
**School readers.**

Zimbabwe

We aim to collect and donate enough pencils, pens and paper to assist **1000 children**, this year! Already almost 200 sets have been donated to the Ballarat Regional Multicultural Council and Sri Lanka. Further donations will go to:

- Children in Zimbabwe through [ZIMSEF](#) Zimbabwe Sports and Education Fund
- Multicultural and Indigenous primary school children via community hubs in Shepparton, VIC
