Background

Edmund Rice Education Australia – Victorian Schools Limited (EREA-VSL), as St Patrick's College's governing authority, sets the policy framework for all EREA-VSL schools. These policies have been contextualised for St Patrick's College's particular school environment so that our policies reflect the needs of our students*.

*Student includes any person enrolled in the College, either as a day pupil or as a boarder.

Rationale

St Patrick's College (the **College**) is a Catholic day and boarding school for boys in the Edmund Rice tradition.

In keeping with its Catholic heritage, Edmund Rice tradition and history, the Touchstones of Edmund Rice Education Australia (**EREA**), the College is centered on Christ's transforming vision of humanity. In this hope-filled spirit, the College aims to be a welcoming and inclusive community that will provide strong witness to Gospel values.

Policy Statement

- The full richness of the Gospel;
- The education of boys, holding their learning and growth at the heart of all that we do;
- An invitation to all to share in the nourishment of joyous, hope-filled and life-long friendships that shape our living College community;

Based on advice and collected information, the Principal must be satisfied that the applicant and his family are ready to accept and embrace these commitments. All enrolments remain at the Principal's discretion.

Please note that not all applicants will receive an interview and not all families interviewed will necessarily receive an offer of enrolment at the College.

All Enrolments remain at the Principal's Discretion

Preference for enrolment at St Patrick's College is generally offered to Catholic students however the College welcomes enrolments from boys from all religious denominations and non-religious families.

Preference at the College is at the discretion of the Principal.

Full disclosure of current or previous matters which may impact on the applicant's ability to engage fully and safely in the life of the College, or in the College being able to safely provide education to the student, will be sought. This will include but not be limited to the following:

Boarding

The College has a long and celebrated tradition of providing residential accommodation (Boarding), with Boarding students having made a rich contribution to the life of the College. Boarding also provides the College with an invaluable 'point of difference' from other local and regional Catholic secondary schools.

Boarding applications will be considered throughout the year, however, completion by August aids subject selection.

St Patrick's College offers a Boarding experience to students in Years 7 – 12, from regional and remote communities, overseas or locally, who wish to access a Catholic education. Our Boarding program facilitates the means to access the myriad of opportunities that the College can offer, within the classroom, the music rooms, on the sports fields, during the College day and before or after the standard day.

Should you wish to discuss our offerings in this area please direct your enquiries to the Director of Boarding via boarding@stpats.vic.edu.au.
