

Calling all Public Speakers!

# Purton Oratory Competition Commemoration Speech

Unfortunately this year, Purton Oratory Competition as it usually runs, is cancelled. This year would have been the 80th year of the competition's existence. To mark the occasion and celebrate the skill of public speaking we are asking students to submit a 3-4 minute impassioned speech on the following topic:

**"2020 & BEYOND..."**

*This year will go down in history so we are encouraging you to reflect and consider both the successes and challenges of 2020 and your hopes for the future.*
