St Patrick's College is committed to providing a caring, supportive, and safe environment where every student has a place, a voice and their story is known. Edmund Rice Education Australia is committed to providing safe and supportive environments where all children and young people entrusted to our care are affirmed in their dignity and worth as a person.

Background

Edmund Rice Education Australia (EREA), as St Patrick's College's governing authority, sets the policy framework for all EREA schools. These policies have been contextualised for St Patrick's College's particular school environment so that our policies reflect the needs of our students.

Student includes any person enrolled in the College, either as a day pupil or as a boarder.

The Hazard – Playground Accidents

Serious injuries from accidents in the College grounds can occur from inadequate supervision, inappropriate games, lack of maintenance of ground equipment, overcrowded play areas and contamination from dangerous items such as broken glass and syringes. Each hazard has the capacity to pose a risk to the safety of students.
