

## NEWSLETTER 5/4 Friday November 8, 2013

### FROM THE DEPUTY HEADMASTER Student and Staff Wellbeing Mr Chris Caldow

#### Exams

The VCE exams commenced well last week and the boys involved have been working very well to prepare for these. I trust that the boys will receive the results they deserve, results that will reflect the level of work and effort they have put into each of their subjects over the last couple of years.

End-of-semester exams are approaching for all other year levels and I would like to stress to boys the importance of commencing their revision and study, well in advance of these exams. To start, I would encourage all boys to communicate with their subject teachers about the format and nature of the exam – what areas will be covered; what types of responses are required; what is the length of the exam? All of these questions are important to avoid disasters where boys were not aware of important aspects relating to the exam. A regular revision programme should be in place by now for each boy and again, I would encourage boys to develop these with the assistance of their teachers and Pastoral Care Tutors.

#### Senior School Finishing Dates

The following information is provided so that you are clear as to what is expected of your son as we finish the school year.

1. **Examinations:** Examinations for Year 11 subjects begin on Friday November 8. All students will be given a copy of the examination timetable, and they only need to attend school to sit their examinations. When they do not have a timetabled examination it is expected that they would be using that time to prepare for their remaining examinations. A supervised study area will be provided for those who need to remain at school because of bus travel. Examinations finish on Friday November 15.

Examinations for Year 10 subjects begin on Friday November 29. All students will be given a copy of the examination timetable, and they only need to attend school to sit their examinations. When they do not have a timetabled examination it is expected that they would be using that time to prepare for their remaining examinations. A supervised study area will be provided for those who need to remain at school because of bus travel. Examinations finish on Friday December 6.

2. **Outstanding work:** At this time of the year it is important that students ensure they are fully up to date with their work before examinations begin. If they have any doubt about their progress they need to speak to their teachers. If any work remains outstanding after the exams then the Year 11 student concerned must attend the “Call Back” day on Wednesday November 27 and any Year 10 student concerned must attend the “Call Back” day on Monday December 9. If outstanding work is not submitted at a satisfactory standard, they will fail the VCE unit or Year 10 subject and this will be recorded as such on their College and/or VCE certificates.
3. **2013 VCE Unit 3/4 Headstart Programme:** On Monday November 18 Year 11 students will begin their Unit 3/4 studies. This program will give your son the opportunity to begin the course content for all subjects they will study in 2014. All students continuing in 2014 must attend these classes; these classes will conclude on Tuesday November 26.
4. **Senior School Awards Ceremony:** The Senior School Awards ceremony will take place in the O’Malley Gymnasium on Tuesday November 26 from 11.25am until 12.45pm. The purpose of this Awards ceremony is to recognise the specific subject academic award winners as well as Senior School Cultural awards and Senior School Sports Awards that are not presented at Speech Night. Parents are welcome and encouraged to attend this Awards ceremony.

#### EREA ENRICHMENT PROGRAM

In order to foster an awareness in our students that they are not just part of a the St Patrick’s community but also part of a larger family of schools that operate in the Edmund Rice tradition, two Year 10 students spent four days at St Patrick’s College, Strathfield in Sydney.

**Alec Robinson** and **Christopher Milroy** were chosen from a group of exceptional candidates and represented our College admirably. The boys immersed themselves into school life at St Patrick’s College, Strathfield by attending classes and other school activities. In addition they were shown the sights of Sydney.

Congratulations to both Alec and Chris for being such excellent ambassadors for our College. As an additional part of this program we hosted two boys from St Patrick’s College, Strathfield in Sydney. In speaking with Nadim and Patrick, they both really enjoyed getting to know our boys and their time in the weekly Boarding House.

**DIRECTOR OF MISSION**  
**Mr Geoff Brodie**

The recent hints of a warmer summer sun on our faces during lunchtime, the boarders' exeat weekend, the splendour of the College gardens and the great expectations of rolled turf are annual reminders of a change in seasons. The beauty encountered in summer's hesitant appearance marks also a time to reflect on the spiritual joy of this time of year – the joys of deepened friendships and an enhanced sense of belonging within the community. These are the rewards of a year invested together.

Friendship and belonging, unlike the sun and gardens, cannot be seen, felt or heard directly through the five senses. We can watch others in their weekly coffee and catch up, overhear a weekend phone call home to parents or the recess game of *Downball* (*a game that has rules as flexible as an Olympic gymnast*), but there is of course more to them than our five senses may detect. These actions, and countless others, are rituals that symbolically point to the deeper spiritual connection between the people involved. It is the splendid role of ritual and symbol to 'point to' the beauty of the unseen reality.

St Patrick's College is a community that delights in many rituals and symbols to bring us together and strengthen our community. This should not be surprising because the two defining aspects of our identity, that is, being both Catholic and a school, are communities naturally overflowing with ritual and symbol. A Catholic education in the spirit of Edmund Rice needs these rituals and symbols to offer and communicate the deeper unity of the community. The unseen values that motivate us and direct us are then revealed to plain sight in our actions.

This is called a **sacramental view** of the world: in and through words, actions, symbols and rituals we live in the deeper reality that brings us truly alive and from which we draw our strength. This is of course the realm of love. In Christ and his Church, we have friendship and belonging with our God who has so freely given us everything.

A current example of our rituals is the annual **Community Mass**. At this time of the year we celebrate the gift of those volunteers who contribute so generously to the life of St Patrick's College. The many and varied rituals of the Tuckshop, for example, would not exist without the volunteer support our parents!

May our rituals and symbols always point to our Loving God, who is the source of eternal friendship and belonging.

**DIRECTOR OF ADMINISTRATION**  
**Ms Elizabeth Till**

**2013 Speech Night**

This year's Speech Night will be held once again at the magnificent Her Majesty's Theatre on Wednesday November 20, commencing at 7.30pm sharp.

**Ticketing Arrangements**

\* Award recipients and their families will receive from the College Shop free tickets in the coming weeks.

\* All Year 12 students are expected to attend and can contact the College Shop to obtain free tickets for the event. We encourage their families to attend with them.

\* All students, parents, siblings and friends of the College from all year levels are also most welcome to attend and are asked to contact the College Shop to receive their free tickets.

All students attending Speech Night must be wearing full school uniform. Please ensure you are wearing long trousers and not shorts. Students receiving an award will be required to attend a rehearsal on Wednesday, November 20. Year 12 boys should make their own way there. Year 7-11 boys will be transported by bus after Pastoral Care for rehearsals which will start at 9.30am.

Speech Night will again showcase excellence at St Patrick's College.

**Year 10 examinations** are timetabled to commence on Friday November 29, 2013.

On Wednesday of this week all year 10 and 11 students were given a copy of the **2014 English booklist** (Copy available online). The early release of this document facilitates the distribution of the novels prior to the end of the school year thus enabling all students the opportunity to read them during the summer break.

The booklist return date is **TOMMORROW Friday November 8, 2013**. I apologise for the short turnaround time however due to Exeat weekend and other factors it was unavoidable.

**Advance Notice:** The **Senior School Awards ceremony** will be held on **November 26, 2013** in the O'Malley Gym commencing at 11:15am and it is anticipated to run for one hour. All parents, grandparents, cousins and siblings are very welcome. A reality of school life is that parents come in droves to support their sons in the lower years but once the boys enter Years 10 and 11 numbers drop off significantly. It would be great to redress this trend.

May God's peace be with you and your families.

Elizabeth Ryan

#### Year 8 Essential Services Day 2

The Boys in 8F -8J will have their Essential Services Day on Monday, November 25. This day is a catch up day as the original session was

cancelled due to bad weather. The day, conducted by the CFA, Victoria Police, the SES and St John's Ambulance is a very worthwhile opportunity for the boys to experience the many different roles played by these organisations in our community. The boys will also participate in a number of activities dealing with topics such as drug and alcohol awareness, first aid, fire safety and decision making.

#### Junior School Presentation Evening

This year's Junior School Presentation Evening will take place in the O'Malley Sports Centre at 7:30pm on Thursday, November 28. On this evening, all Year 7 boys are required as they will perform on their musical instrument as part of a Year 7 band. In addition to this academic, sporting and cultural awards will be distributed to Year 7 & 8 prize winners.

Please keep this date open on your calendar.

#### Exams

Junior School exams are only six weeks away commencing with the English Exam on Monday December 2.

Tuesday, December 3	Year 7 Student Free Day-2014 Year 7 Orientation Day
Wednesday, December 4	Year 7 & 8 Maths Exam
Thursday, December 5	Year 7 & 8 Science Exam

- It is an expectation that students sit exams
- No special arrangements will be entered into for those absent during exam week.
- Exams will be conducted during sessions 4 and 5 on the scheduled days (10:55- 12:25)

Over the next couple of weeks Year 7 classes will receive some assistance in organising their exam revision program through the Year 7 Transition program.

Year 8 boys will need to arrange your revision and study in Mathematics, English, Science and Humanities as soon as possible. Your son should refer any questions regarding exams to his subject teachers as they will be assisting classes with exam preparation. A little bit of nightly revision will be very useful in assisting your son in his exam preparation. A nightly study routine, if not already established, should be a priority as well as establishing a quiet study space away from distractions, will greatly assist with exam preparation.

### **2nd XI Cricket**

#### **SPC White 7 for 104 defeated Ballarat High School 6 for 98**

In yet another game transferred to Victoria park due to the non-availability of the BHS turf wicket at least we saw the sun for the first time this season! Bowling first SPC White was able to restrict the BHS batsmen to a score under 100 which was an improvement from our previous bowling effort. Taylor Sutton and Liam Jess opened with the ball for the first 6 overs with Taylor capturing one wicket and both boys restricted the score to 19. Lawrence Cashin was our main destroyer bowling exceptionally well to capture 3 wickets for 12 runs off 3 overs and thus break the back of the BHS batting line up.

Lawrence was also ably assisted by Jarrod Kemp 1 for 12 off 2 overs and Lachlan McIntyre 1 for 6. With a score to chase down of less than 100, SPC White were always in the best position but as is the nature of the game of cricket you still have to make the runs!! Taylor Sutton opened the batting and batted very well to remain retired for 36 but his partners were failing around him. Recording three duck's in a 20/20 match meant that we were not able to record a victory until the 19<sup>th</sup> over. Resistance to the BHS bowling attack came from Damon Prestwood 17 and Dom Slater 11 Not Out. In our next fixture I am hoping that we can both bat and bowl well in the same game as we encounter SPC Blue who also remain undefeated at this point in time!

**Mr M. Busscher**  
**SPC White Coach**

#### **SPC Blue 8/111 defeated BGS 10/55**

SPC Blue won their second game of the season with a comprehensive win over BGS. Having won the toss and batting first, SPC Blue made 8/111 from their allocated 20 overs. Top run scorer was Captain Michael Snaith who made 45 from 47 balls. Andrew Milroy also chipped in with 15 from 9 balls. SPC Blue bowlers dominated early as BGS found themselves at 6/10. BGS were eventually bowled out for 55 with great efforts from Tom Martin and Michael Snaith who both took 3 wickets.

**Mr J Carmody**  
**SPC Blue Coach**

#### **SPC Green vs Damascus College**

The SPC Green vs Damascus College clash has been transferred to another occasion due to Damascus College having their work experience week. A replacement fixture date will be organised for later in the season.
