You can view a free recording of the 2020 MedEntry UCAT bootcamp video at <https://bit.ly/3cLbrFR>

National Institute of Education (NIE)

NIE is running an online simulated UCAT day on 7 June, <https://bit.ly/2Tjeloj>

UCAT 2-week express challenge

UCAT Masterclass is running a 2-week express challenge. You can find information at <https://bit.ly/36NKEqr>

Have you considered vocational education and training (VET)?

This includes – apprenticeships, traineeships and TAFE study. Did you know that 77% of VET graduates secure employment after training?

VET is one of the most progressive forms of education available to school leavers. It's in touch with the realities of the current and future employment market – because it's entirely driven by the employment market.

If you would like to learn more about VET and why you should consider gaining a VET qualification after school, go to <https://bit.ly/2xiZBTf> to check out the 'VET. It's Right Now' video initiative.

Interested in plumbing?

If you are completing school at the end of the year and are interested in pursuing a career in plumbing, you may be interested in undertaking a pre-apprenticeship in plumbing at the Plumbing Industry Climate Action Centre (PICAC) at Brunswick. This is a world-class training facility. For more information, go to <http://picac.vic.edu.au>

Interested in becoming a pilot, firefighter, or paramedic etc.?

The Pilot Aptitude Training Systems (PATS) website explains the process for Year 12 completers to apply for these different courses and occupations.

It also explains the process for applying to the Australian Defence Force Academy (ADFA). To view the site, go to www.pilotaptitude.com

Careers in Rail

The Rail Academy has produced a fantastic video about careers in rail. A variety of roles exist within Customer Service, Infrastructure, Rolling Stock, Operations and Corporate.

To find out more watch the 'Discovering careers in rail' animation video at <https://bit.ly/2Z9f3dT> or visit the Rail Academy website at <https://bit.ly/2Wcwlzq>

What type of apprenticeship would you be suited to?

Taken from the Australian Apprenticeships Pathways website.

"Career evaluation is constant and unending especially for people who are considering their next career step. Career choices can be difficult as there are so many options out there.

It can be easier if you know which Work Types you prefer and what career options they lead to. These Work Types are identified through a Career Interest Explorer, co-created in consultation with Australian Centre for Career Development and focus on apprenticeship and traineeship career pathways.

There are seven Work Types in total which can lead to different industries and occupations. While it may be easy to choose the best known occupation in a Work Type, it may not be the best option for you.

Realistically, an occupation can be linked to many Work Types, but focusing on your primary Work Type can help narrow down the industries or occupations that may interest you.

Below are the seven Work Types that are linked to apprenticeship or traineeship occupations. There may be some occupations that you may not have even thought could be done as an apprenticeship or traineeship".

- Analytic and Scientific
- Creative and Artistic
- Helping and Advising
- Nature and Recreation
- Organising and Clerical
- Persuading and Service
- Practical and Manual

Go to <https://bit.ly/2wCcdl2> to research occupations that align with each work type and to further research your apprenticeship and traineeship pathways.

Apprenticeships – 2021 intake

BHP Mitsubishi Alliance (BMA) 2021 Apprenticeship Program (NSW & QLD locations)

Apprenticeships include:

- Automotive Electrical
- Electrical
- Diesel Fitting
- Mechanical Fitting
- Boilermaking

Gain deep insights into how tech is transforming traditional roles and shaping the jobs of the future. Explore which skills are becoming more critical to businesses and discover what it takes to succeed in the IT field.

Watch the emerging jobs and the future of work Monash Tech Talk at <https://bit.ly/2XN23eN>

Webinars

Why Years 9 & 10 Matter: Pathways to Harvard, Oxford, and Beyond

Learn how to start paving your path to top US and UK unis in Year 9 and 10 through subject selection, extracurriculars and more. Hosted by Crimson Education Australia Country Manager and Harvard grad, Shori Hijikata.

When: Saturday 20 June

Information and RSVP: <https://bit.ly/3chLNYh>

How to become a pilot

Basair is running sessions for prospective students on how to become a pilot. The webinars will provide information on the courses offered at Basair, as well as answer questions about how to become a pilot (i.e., cost, study pathway).

When: 22 and 25 June 2020 (repeated)

Information and RSVP: <https://bit.ly/370jMUj>

Interested in Veterinary Nursing?

This is a fantastic occupation for those who are passionate about working with animals. Veterinary nurses assist veterinarians in all aspects of animal patient care, including surgical procedures, laboratory testing, medical treatment, and consultations.

To become a qualified veterinary nurse, you usually have to study the Certificate IV in Veterinary Nursing whilst undertaking employment or work placement in a Vet clinic.

This can be completed through a traineeship or online study. Once qualified, you can undertake further study to specialise in dental, surgical or emergency and critical care.

For information on this occupation, go to <https://bit.ly/2IRNcv0>

You may also consider studying a paraprofessional qualification at the university level:

Bachelor of Veterinary Nursing, La Trobe University: This is the first paraprofessional veterinary nursing qualification of its type in Australia, <https://bit.ly/2IRKaH8>

Bachelor of Veterinary Technology, Charles Sturt University: this course can be undertaken at the Wagga Wagga campus, in partnership with GO TAFE, Wangaratta or online, <http://bit.ly/1BCc1w4>
