Virtual Careers Expo

This expo is an Australian first!

The Virtual Careers Expo is an innovative and interactive collaboration between Australia's major tertiary education providers, designed to showcase the wide range of options available to students as they prepare for life after school.

You and your family will be able to:

- Explore the Virtual Careers Expo Hall
- Visit more than 50 stands hosted by exhibitors from across the country
- Talk to staff and student ambassadors through text or video chat
- Head to the Webcast Hub for live and on-demand video presentations
- Meet other students in the virtual social lounge
- Explore the virtual campus
- Attend from the comfort of your own home
- Learn more about how COVID-19 will affect your school year.

This event is a must for anyone considering studying at university or TAFE in the future.

All face to face university experience days and career expos have been cancelled across Australia – this event will assist you to research your post school options and prepare for university and TAFE applications.
