Get savvy about your finances

Year13 has teamed up with Westpac and built FinLit, a financial literacy program that will equip you with the knowledge you'll need to navigate the world of money.

If you've ever wondered how to save for a car or how to go about buying a house, or what superannuation is - you've come to the right place! Topics include:

Landing your first job

- Types of work
- Getting paid the right wage
- Choosing a bank and guide to bank fees
- Using your bank account

Taxes and super

- What is superannuation?
- Getting paid the right super
- The deal with taxes

Saving & spending your cash

- Saving your money
- Understanding interest
- Savings accounts

Program - <https://year13.com.au/>

Careers in Early Learning

You want fun and job security in equal measure, right? Then early learning and care might be the perfect career for you.

As an early childhood educator, you can shape the future of Australia, in a secure job that grows with you. Helping children to learn is one of the most important jobs around.

Monash University Updates

New: Bachelor of Criminology and Policing

The only course of its kind in Victoria. In three years, students will complete the core requirements of the Bachelor of Criminology, and a Diploma of Policing, undertaken at the Victoria Police Academy.

This course will provide the chance to achieve the dream of working in the police force, or choosing to work in an area requiring crime and justice experts, such as anti-corruption, crime prevention, justice, human rights, juvenile justice, and social welfare, <https://bit.ly/30YpZBk>

Campus Discovery Days

Register for a campus tour at the Clayton, Peninsula, Caulfield or Parkville campus. Tours will take place in early December, <https://bit.ly/3CHvSzW>

Science Precinct Tours

Book your place to take a guided tour of the Monash Science buildings. Tours will take place during December, <https://bit.ly/3oW9YUw>

2022 National Youth Science Forum (NYSF)

Application deadline extended!

Applications for this fantastic program have been extended to 5 December.

This is a two-week on-site and digital program where students are immersed in hands-on science activities, lab experiments, field trips and meet researchers who are leaders in their field.

The program will be held during January 2022 and is for students studying Year 12 in 2022, www.nysf.edu.au
