Interested in engineering?

Charles Sturt University (CSU) offers an innovative civil and structural engineering program like no other in Australia or the world.

Forget studying semester-long subjects, taking exams, or listening to long lectures. Through the CSU 'Topic Tree' model, students study bite-sized content, and skills and knowledge on demand.

Secondary school students are able to complete some of these units online for free.

Just go to <https://bit.ly/34xyfb0> and choose from the topics available in areas such as:

- Introductory Engineering
- Water Engineering
- Materials Engineering
- Geotechnical Engineering

The engineering program is offered at the Bathurst campus and students complete four-years of paid work placement and graduate with a Bachelor and Master level qualification.

Students applying for nursing/midwifery courses

Year 12 students applying for nursing or midwifery should be mindful of the following entry requirements:

VTAC
